

## Competition rules

The competition that is organized by Modelbouwclub Klein-Brabant and is open for everyone. Registrations are preferably done in advance. Models can also be registered at the Happening itself at an additional cost. All payments are made on the day itself. The number of models per participant is unlimited and several models may be registered per category. Every 3rd model can be registered for free. In the Military Models categories, it is permitted to place one figure next to the model without having to participate in the M3 or V4 category. In each category multiple first, second, and third prizes can be awarded. The models are judged by the members of the Klein-Brabant Model Building Club. The MKB members themselves will not be participate in the competition. The name of the model may not explicitly indicate who the builder is. Associated documents may have a maximum size of A5. Models that participated in previous years are referred to the exhibition. The jury members can refer the models to another category if they deem it necessary. Who participates in the competition automatically accepts the rules.
